UK Outlook for Tuesday 22 Jun 2021 to Tuesday 6 Jul 2021:
A good deal of fine and dry weather across much of the UK for the end of June, although there could be a few showers in places and perhaps some rain in the far north at times. Temperatures are likely to be above average. By the end of June and into early July, conditions will probably become more unsettled with an increasing chance of rain spreading across the UK.
